Newsletter from LabXchange

We hope you have been enjoying using [LabXchange](#) with your learners. We would love to [hear how it's going for you](#) and [what we can do to improve your experience](#). To receive the latest updates about LabXchange, be sure to [sign up for our newsletter](#)!

We recently launched some resources designed to help you transition to online learning, both in the context of the ABE labs and beyond:

- Our [Remote Learning Cluster](#) provides resources to help you and your students get started using LabXchange.
- Don't have time for a whole cluster? Check out our [Teach with LabXchange pathway](#).
- Resources for ABE teachers, like guides for using our [ABE cluster](#) with each lab, can be found in the class "LabXchange Resources for ABE Teachers". You can [join the class](#) from your learner dashboard using the class code: ABELXC.
- We are running a PD workshop for ABE teachers on Wednesday, April 15th at 3pm PT. We invite you to join us! ([Register here](#))
